BACHILLERATO DUAL AMERICANO

Dear Students, Parents and Schools,

I hope that you all had a nice Easter break and that you took advantage to spend some extra time doing your American High school activities as well as having a well-deserved rest.

This month's newsletter is shorter than others because before Easter you had your exam period and therefore I only have one contribution from students which is from Miguel Tipluica Marín from Colegio Inmaculada Concepción Madrid. Miguel has written a very interesting descriptive/imaginative story for us.

Please send your contributions for our newsletter to aitor@lkidiomas.com. The author of each contribution published will receive a small gift.

This month's contribution from American High School is from Elizabeth Knoop, Student Advisor.

Below are the winners of our February incentive which was to obtain **4 X "A", "A-" or "A+" on the first submission in Practices between 1st February and 28th February.**

Congratulations to you! You will be receiving your prizes shortly.

María de Castro Adeva.....Colegio Montessori de Salamanca
Laura Montero Gonzalez.....Colegio Montessori de Salamanca
Jose Antonio Reinoso Manso..... Colegio San Agustin Valladolid
Blanca Villar Ruiz.....Colegio Natividad de Nuestra Señora Madrid

The incentive for this month will be to obtain **2 X "A", "A-" or "A+" in Projects between 1st and 30th April.** Good Luck!

The projects must be submitted only once the Journal Activities, Practices and Applies have been submitted for the Unit in question.

Please check the instructions for your projects (and other activities) very carefully before submitting them to make sure that you include all the content required in the format required and make sure that you remember to check word count and to use the spelling and grammar checker before submitting it.

If you are having difficulty with a particular format for an activity please contact your Dedicated Counselor for help.

Please make sure that you are planning your activity blocks on your calendar for the next week and that you are editing your calendar at the end of each activity block to reflect the real time that you dedicated and also the activities which you completed during the block and remember that any doubts which you have about your subjects can be dealt with either by Skype for Business with your teacher or in the programmed Open Chats.

Have a super April and please be as productive as you possibly can with your activities.

Until our next LKAHS Newsletter

Best wishes

Andrew

Hello!

I'm Elizabeth Knoop the 9th and 10th grade student advisor. I have been with American High School for 3 years and enjoy every second of it. I'm an avid reader of Agatha Christie books and love cats. I am here for you to help you with whatever you need. Feel free to contact me if you need any assistance.

ELIZABETH KNOOP

American High School student advisor

Hi, I'm Miguel and they asked me to write a little story, so I wrote a story about a house in Chernobyl

The dust covered me all over, even little pieces of me were on the floor, for years nobody has worried about me, and the only living trace around me is a family of badgers in my kitchen. Even the ivy that grows in my wall cracks is dead. We could be good friends, but I'm made of bricks and cement. You can't die and you see how everything disappears, putrefying. When I was new everybody wanted me to live in my rooms, but one day in April 1986 life disappeared, humans, plants, animals and houses disappeared from the city, I think that it happened because of an explosion, since that day life has abandoned the city, but some animals appeared suddenly, so I'm not altogether alone.
